

# PrimeraONE<sup>®</sup>

## ICE MELTER WITH CMA

### PRIMERA MELTING POWER!

**Fast acting, long lasting ice and snow melter**

Starts melting immediately upon application and continues working for up to 24 hours!

**Contains CMA (Calcium Magnesium Acetate)**

CMA is a corrosion inhibitor that protects against concrete & wood damage.

**Specially coated with green color indicator**

Allows for accurate application and leads the path to safety.

**Environmentally formulated**

Environmentally friendly ingredients are combined to reduce damage to plants & vegetation.

**Safer to handle**

No protective clothing is necessary when using PrimeraOne<sup>®</sup> Ice Melter.
